Only registered voters who are qualified to vote for the candidate may sign the petition. No voter shall sign more petitions for candidates than there are offices to be filled. **§8106**

The Registrar of Voters will issue forms for obtaining the minimum number of signatures in lieu of filing fee. If the candidate requires an additional quantity of forms, the candidate may duplicate a blank form to obtain the desired quantity. **§8106**

Signatures on petitions in lieu of filing fee may be applied to and combined with the valid number of signatures on the nomination paper to satisfy the signature requirement for the office. **§8061**

EXCEPTION: If an incumbent fails to file nomination papers and a declaration of candidacy by March 10, 2006, the filing period is extended through March 15, 2006 for all qualified persons other than the incumbent. This extension applies to elective county offices. However if the incumbent's failure to file nomination documents is because he/she has already served the maximum number of terms permitted by the California Constitution for that office, there shall be no extension of the period for filing the nomination documents. **§8022, §8024, §8204**

NOTE: There are no provisions for extension of candidate filing for federal offices.

The signers of nomination papers must be registered voters in the district or political subdivision in which the candidate is to be voted on and shall be affiliated with the party, if any, in which the nomination is proposed. **§8068**

Filing fees must be paid at the time the nomination papers are obtained from the Registrar of Voters. This fee is nonrefundable. Signatures appearing on a filed petition in lieu of a filing fee can be counted toward the number of signatures required for the candidate's nomination paper. If the candidate's petition in lieu of filing fee contains the requisite number of valid signatures required for his/her nomination paper, the Registrar of Voters shall not require the candidate to circulate a nomination paper to be signed by qualified registered voters. **§8061, §8105, §8106**

Candidates who submit petitions in lieu of filing fee that do not contain the requisite number of signatures for the nomination paper are still entitled to file nomination papers during the nomination period provided the filing fee has been paid. **§8061, §8106**

STATEMENT OF ECONOMIC INTERESTS: Every candidate for an office specified in Government Code section 87200, other than a justice of an appellate or the supreme court, shall file no later than the final filing date a declaration of candidacy, a statement disclosing his/her investments and his/her interests in real property and any income received during the immediately preceding 12 months. Gov't §87201, §87200, §87500

CANDIDATE'S STATEMENT OF QUALIFICATIONS FOR NONPARTISAN OFFICES: Each candidate for a nonpartisan office may prepare a statement on a form provided by the Registrar of Voters. The statement may contain no more than 200 words, unless the governing body of the local agency has authorized the statement to contain 400 words. The statement must be filed at the same time the declaration of candidacy is filed. The statement may be withdrawn, but not changed, during the nomination period and until 5:00 p.m. of the next working day after the close of the nomination period. If the nomination period is extended because an incumbent eligible for reelection failed to file a declaration of candidacy, candidates filing during the extended filing period may file a candidate's statement. The next working day after the close of the extended filing period for the office is the last day that a candidate's statement may be withdrawn. A candidate's statement may not be changed.

The Registrar of Voters will estimate the total cost of printing and handling the candidate's statement and will require each candidate filing a statement to pay in advance his/her estimated pro rata share as a condition of having his/her statement included in the voter's pamphlet. This amount must be paid at the time the candidate's statement is filed. If there is an underpayment, the candidate shall be required to pay the balance of the cost incurred. Overpayments will be refunded within 30 days of the election. **§13307**

The candidate's statement is confidential until after the expiration of the filing period. Copies of all candidates' statements will be available for public inspection at the Registrar of Voters office and on the ROV website for 10 calendar days prior to being submitted for printing. **§13311, §13313**

All statements must be submitted on the form provided by the county election official of each county in which the candidate wishes to have his/her statement printed. Statements shall not, in any way, make reference to other candidates for office or to another candidate's qualifications, character or activities.
